Chopped Chicken Breast*
(10 oz | 20 oz)
Calories: 790

Ground Beef*
(10 oz | 20 oz)
Calories: 980

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Butter
Contains: Milk

Cooking Oil

Sugar

Give friends \$20 off their first box and
you'll get a \$20 credit when they cook
with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

Be sure to give your coconut milk a good shake before opening the container and adding to the pan in Step 4. The cream may have risen to the top and solidified a bit, but not to worry—the liquids and solids will quickly come together and turn silky-smooth during cooking!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Peel and dice **sweet potato** into ½-inch pieces. Core, deseed, and dice **bell pepper** into ½-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Dice **tomato** into ½-inch pieces. Open and drain **tofu**; press out excess water with paper towels. Halve crosswise, then stand tofu upright and halve vertically. Lay flat and cut into ½-inch cubes. Season with **salt** and **pepper**.

2.

Heat a **drizzle of oil** in a small pot over medium-high heat. Add **half the garlic**; cook until fragrant, 30 seconds. Stir in **rice**, **¾ cup water** (**1½ cups for 4 servings**), and a **big pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or **beef** and season with **salt** and **pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

While rice cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **sweet potato**, **bell pepper**, **half the scallion whites** (**all for 4 servings**), and a **pinch of salt**. Cook, stirring occasionally, until browned and softened, 4–5 minutes. Add **tomato paste**, **curry powder** (**add less curry powder for less heat!**), **paprika**, and **remaining garlic**. Cook, stirring frequently, until fragrant, 1 minute.

Use pan used for chicken or beef here.

4.

Stir in **diced tomato**, **coconut milk**, **stock concentrates**, **¼ cup water**, **1 tsp sugar**, and **½ tsp salt**. (**For 4 servings, use ⅓ cup water, 2 tsp sugar, and ¾ tsp salt.**) Bring to a simmer, then cover and reduce heat to medium; cook, stirring occasionally, 10 minutes. Add **tofu**; cook until curry is thickened and tofu is warmed through, 2–5 minutes more. Stir in **sour cream** and **1 TBSP butter** (**2 TBSP for 4**) until melted and combined. (**If curry is too thick, add another splash of water.**) Taste and season generously with **salt** and **pepper**.

Swap in **chicken** or **beef** for tofu; stir into **curry** along with **sour cream** and **butter**.

5.

Fluff **rice** with a fork; season with **salt** and **pepper**. Divide rice between bowls and top with **curry**. Garnish with **scallion greens**. (**Have some cilantro on hand? Roughly chop and sprinkle over top for a fresh finish!**)

*Ground Meat is fully cooked when internal temperature reaches 160°.

*Poultry is fully cooked when internal temperature reaches 165°.
