CHEF'S TIP

You may notice that we pretty much always ask you to reserve a bit of pasta cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good pasta great, and we'd never leave you with a bowlful of just good.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens; mince whites. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water (2 cups for 4 servings)**, then drain. Toss drained pasta with a **drizzle of oil** and set aside.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium–high heat. Add chicken and season with **salt and pepper**; cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

Heat a **drizzle of oil** in pan used for bacon over medium heat. Add **scallion whites**; cook, stirring occasionally, until fragrant, 1–2 minutes. Whisk in **1 TBSP flour (2 TBSP for 4 servings)** until well combined. Whisk in **reserved pasta cooking water**; bring to a simmer.

2.

Add **bacon** to a large dry, preferably nonstick, pan in a single layer; heat over medium–high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once cool enough to handle, roughly chop.

Use pan used for chicken here.

4.

Add **stock concentrate, Monterey Jack, cream cheese, half the cheddar, and half the ranch dressing** to pan; stir to combine. Add **pasta**; stir to evenly coat. Stir in **half the bacon**. Taste and season with **salt and pepper** if desired.

Add **half the chicken** to pan along with **pasta**.

5.

Top **pasta** with **scallion greens, remaining cheddar, and remaining bacon**. Drizzle with **remaining ranch dressing** and serve family style.

Top **pasta** with **remaining chicken**.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
