Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, zest and quarter **lime**. Peel and finely chop **garlic**. In a medium bowl, combine **ponzu**, **lime zest**, $\frac{3}{4}$ of the **garlic**, **1 tsp sugar** (**2 tsp for 4 servings**), a **pinch of salt**, and **pepper**. Open package of **chicken** and drain off any excess liquid; add to bowl and toss to combine. Set aside to marinate.

Make **ponzu mixture** as instructed (you'll need it for Step 5); skip marinating **beef**.

3.

While chicken marinates, halve **cucumber** lengthwise; thinly slice into half-moons. Trim, peel, and grate **carrot** on the largest holes of a box grater. Roughly chop **peanuts**.

4.

In a small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4 servings**) with as much **Sriracha** and **remaining garlic** as you like. Season with **salt**. In a separate small bowl, combine **cucumber**, **juice from half the lime**, **½ tsp sugar** (**1 tsp for 4**), and a **pinch of salt**. Set aside to quick-pickle.

5.

When rice has about 5 minutes left, heat a **drizzle of oil** in a large pan over medium-high heat. Add **chicken** (**discard any excess marinade**); cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat.

Swap in **beef** for chicken; add **ponzu mixture** to pan. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** (**2 TBSP for 4 servings**). Divide rice between bowls and top with **chicken**, **grated carrot**, **pickled cucumber** (**draining first**), **spicy mayo**, and **peanuts**. Serve with **remaining lime wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
