MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Dice **sweet potato** into ½-inch pieces. Halve, peel, and thinly slice **onion**; finely chop a few slices until you have 1 TBSP (**2 TBSP for 4 servings**). Halve, core, and thinly slice **green pepper** crosswise into strips. Toss sweet potato on a baking sheet with a **drizzle of oil, salt, pepper**, and a **pinch of chipotle powder** to taste (**add more if you like things spicy**). Roast until slightly softened, 12 minutes (**you'll add the rest of the veggies then**).

2.

While sweet potato roasts, dice **tomato**. Halve **lime**. Finely chop **jalapeño**, removing ribs and seeds for less heat. Peel and finely chop **garlic**. In a small bowl, combine tomato, **chopped onion**, **juice from half the lime**, and as much jalapeño as you like (**save some for stuffing the quesadillas!**). Season with **salt** and **pepper**.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **turkey or beef**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

3.

In a second small bowl, combine **sour cream**, a **squeeze of lime juice**, a **pinch of garlic**, and a **pinch of chipotle powder** to taste. Season with **salt** and **pepper**. Taste and add more garlic and/or chipotle powder if desired.

4.

Once **sweet potato** has roasted 12 minutes, remove sheet from oven. Add **sliced onion** and **green pepper** to same sheet; carefully toss with a **drizzle of oil, salt**, and **pepper**. Return to oven until veggies are browned and tender, 10–15 minutes more. Transfer veggies to a plate. Heat broiler to high.

5.

Rub one side of each **tortilla** with a **drizzle of oil**; carefully place, oiled sides down, on sheet used for veggies. Evenly sprinkle one half of each tortilla with **cheese**. Top cheese with **veggies** and as much **remaining jalapeño** as you like; fold tortillas in half to create **quesadillas**.

Add **turkey or beef** to tortillas along with **veggies**.

6.

Broil **quesadillas**, flipping halfway through, until tortillas are lightly browned and cheese has melted, 1–2 minutes per side. (**Watch out for burning. The broiler is a powerful tool!**) Cut each quesadilla into three triangles; divide between plates. Serve with **salsa** and **chipotle sour cream**.
