Want to add a little ... *je ne sais quoi* to this dish? Toast your sesame seeds in a small, dry pan over medium-high heat, stirring often, until golden, 2–3 minutes. This simple step brings out their natural oils (aka nuttiness) and also amps up their crunch factor.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop or grate **ginger**. Cut **broccoli** into bite-size pieces. Halve, peel, and thinly slice **onion**. Halve, core, and thinly slice **bell pepper**. Peel and finely chop **garlic**. Open and drain **tofu**. Press out excess water with paper towels; cut into ½-inch cubes. In a small bowl, mix together **sweet soy glaze**, **soy sauce**, and ¼ cup **water** (½ cup for 4 servings).

↔ Pat **chicken** or **steak** dry with paper towels, then cut into ½-inch pieces.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **broccoli**, **onion**, and **bell pepper**; season with **salt** and **pepper**. Cook, stirring, until lightly browned and tender, 4–6 minutes. Add **garlic** and **remaining ginger**; cook, stirring, until fragrant, 30 seconds. Stir in **half the soy mixture**; cook, stirring, until sauce has reduced and veggies are coated, 2–3 minutes. Stir in **half the sesame seeds**. Turn off heat; transfer to a plate. Wash out pan.

5.

Heat a **large drizzle of oil** in pan used for veggies over medium-high heat. Add **tofu** in a single layer and season with **salt** and **pepper**. Cook, turning occasionally, until browned all over, 5–8 minutes. Pour **remaining soy mixture** over tofu and stir until sauce is thickened and glossy and tofu is coated, 1–2 minutes.

↔ Swap in **chicken** or **steak** for tofu; cook, stirring occasionally, until chicken is browned and cooked through, 4–6 minutes, or steak is cooked to desired doneness, 3–5 minutes. Cook through rest of step as instructed.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.

2.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a small pot over medium-high heat. Add **half the ginger**; cook, stirring, until fragrant, 30 seconds. Stir in **rice**, **1¼ cups water** (**2¼ cups for 4**), and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

Meanwhile, in a small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4 servings**) with as much **Sriracha** as you like. (**Start with half the Sriracha, then taste and add more from there if you like things spicy!**) Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

6.

Fluff **rice** with a fork and season with **salt**. Divide rice between bowls and top with **tofu** and **veggies** in separate sections. Drizzle with as much **Sriracha mayo** as you like. Sprinkle with **remaining sesame seeds**.
