MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (**middle and top positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Pinch ends off **green beans** if necessary. Pick **dill fronds** from stems. Quarter **lemon**. Grate **Parmesan** over a small bowl (**skip if pre-shredded**). In a second small bowl, combine **sour cream**, half the Parmesan, **half the garlic powder**, **2 TBSP mayonnaise (4 TBSP for 4)**, a **squeeze of lemon juice**, **salt**, and **pepper**. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

3.

In **second oven ready-tray**, arrange **green beans** in an even layer. Toss green beans with a **drizzle of oil**, **remaining garlic powder**, **salt**, and **pepper**, then top with **almonds**. (**For 4, divide between two trays, using a drizzle of oil for each tray.**)

2.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Combine **couscous**, **¾ cup water**, **stock concentrates**, **remaining Parmesan**, and a **pinch of salt and pepper** in one **oven-ready tray**; stir to combine. (**For 4 servings, divide between two trays, using ¾ cup water for each tray.**) Top couscous with chicken and **feta**.

4.

Coat a sheet of foil with **nonstick cooking spray**. Cover **tray with chicken and couscous** tightly with foil, coated side down; place on one side of a baking sheet. Bake on middle rack (**be sure your oven has preheated!**) until couscous is tender and chicken is cooked through, 40 minutes. When chicken and couscous have 20 minutes remaining, add **tray with green beans** to empty side of sheet; roast until green beans are browned and tender, 18–20 minutes. (**For 4 servings, roast chicken and couscous on middle rack and green beans on top rack.**)

5.

Carefully remove and discard foil. (**Watch out for steam!**) Drizzle **chicken** with as much **lemon Parmesan sauce** as you like. Garnish chicken with as much **dill** as you like. Divide **chicken**, **couscous**, and **green beans** between plates, or serve family style directly from trays, with remaining lemon Parmesan sauce and **remaining lemon wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
