MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Peel and finely chop **garlic**. Grate **Parmesan** over a small bowl (**skip if pre-shredded**).

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a medium pot over medium-high heat. Add chicken in a single layer; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate.

Swap in **beef** or **turkey** for chicken; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

3.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in pot used for chicken over medium-high heat. Add **onion**; season with **salt** and **pepper**. Cook, stirring frequently, until softened, 2–3 minutes. Add **garlic** and cook, stirring, until fragrant, 1 minute more. Add **1 TBSP flour** (**2 TBSP for 4**) and cook, stirring constantly, until light golden brown, 1 minute.

4.

Add **beans and their liquid**, **artichoke hearts**, **stock concentrates**, and **2 cups water** (**4 cups for 4 servings**); stir to combine. Return **chicken** and any **resting juices** to pot. Bring to a simmer and cook, stirring occasionally, until soup has thickened slightly, 6–8 minutes. Stir in **half the Parmesan**. Taste and season with **salt** and **pepper**.

5.

Divide **soup** between bowls. Drizzle with **pesto** and top with **remaining Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
