MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (**top and middle positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Halve and deseed **bell pepper**. Roughly chop **artichoke hearts**. Peel **garlic** and place in the center of a small piece of foil, then drizzle with **olive oil** and season with **salt and pepper**. Cinch foil closed to form a pouch.

2.

Rub **bell pepper halves** all over with **olive oil**, then season with **salt and pepper**. Place bell pepper, cut sides down, and **garlic foil packet** on a baking sheet; roast until bell pepper is deeply browned and tender, 18–22 minutes. Transfer roasted bell pepper and garlic foil packet to a cutting board, and carefully open the foil to allow garlic to cool. Wipe off baking sheet (**you'll use it again in Step 5**).

Add **bacon** in a single layer to a large dry pan; heat over medium–high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

3.

Meanwhile, toast **flatbreads** directly on top rack until golden brown and crispy, 5–7 minutes. In a small bowl, combine **ricotta**, **garlic powder**, 2 TBSP olive oil (**4 TBSP for 4 servings**), and a pinch of salt and pepper until smooth.

4.

Once cool enough to handle, slice **roasted bell pepper** into strips. Gently mash **roasted garlic** with a fork until a paste forms. Add **garlic paste** to bowl with **ricotta** and stir to combine.

5.

Spread **ricotta mixture** onto **toasted flatbreads**, then evenly top with **veggies** and **Parmesan**. Place flatbreads on sheet used for bell pepper and return to oven; bake until veggies are warmed through and cheese is melted, 3–4 minutes. (**For 4 servings, divide flatbreads between two sheets. Bake on top and middle racks, swapping rack positions halfway through.**) Slice flatbreads into pieces and divide between plates.

Top **flatbreads** with **bacon** along with veggies.

*Pork is fully cooked when internal temperature reaches 145°.
