(10 oz | 20 oz)
Calories: 900

Ground Beef 🍖
(10 oz | 20 oz)
Calories: 1090

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Butter
Contains: Milk

Olive Oil

Give friends \$20 off their first box and
you'll get a \$20 credit when they cook
with us. [EveryPlate.com/referral](https://www.EveryPlate.com/referral)

\$20

You may notice that we almost always ask you to reserve a bit of pasta cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good pasta great, and we'll never leave you with a bowl full of just *good*.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim **zucchini**; grate on the largest holes of a box grater. Halve, peel, and thinly slice **shallot**. Peel and finely chop **garlic**. Zest and quarter **lemon**. Pick **parsley leaves** from stems; finely chop leaves.

3.

Heat **2 TBSP olive oil** (**4 TBSP for 4 servings**) in a large pan over medium heat. Add **grated zucchini, shallot, garlic, and ½ tsp salt** (**1 tsp for 4**). If you like things spicy, add a **pinch of chili flakes** from your pantry if desired. Cook, stirring occasionally, until zucchini is caramelized and mixture is jammy and thickened, 15–18 minutes. (**If zucchini begins to brown too quickly, add a splash or two of water.**)

Use pan used for chicken or beef here.

5.

Add **cream cheese, stock concentrate, half the Italian Seasoning** (**all for 4 servings**), **½ cup reserved pasta cooking water** (**¾ cup for 4**), a **big squeeze of lemon juice**, and a **pinch of lemon zest** to pan with zucchini mixture; whisk to combine. Bring to a simmer and cook, stirring, until smooth, 1–2 minutes. Turn off heat.

2.

Place **zucchini** in the center of a clean kitchen towel. Gather into a tight bundle and squeeze over the sink to remove as much liquid as possible. (**Alternatively, place zucchini in a fine-mesh sieve and press down with a spatula.**)

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or **beef**; season with **salt and pepper**. Cook, stirring frequently, until cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

4.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (**2 cups for 4 servings**), then drain.

6.

Add **drained pasta, half the Parmesan, half the parsley, and 2 TBSP butter** to pan. Season with **salt and pepper**. Stir in **remaining lemon zest** if desired. (**If mixture doesn't fit in your pan, transfer everything to empty pasta pot.**) If needed, add more **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce. Divide between bowls; top with remaining Parmesan and parsley. Sprinkle with more **chili flakes** from your pantry if desired. Serve with **remaining lemon wedges** on the side.

Stir in **half the chicken or half the beef** along with **drained pasta**. Top bowls with **remaining chicken or beef**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
