MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**.

2.

In a small bowl, combine **chili sauce** and **1 TBSP mayonnaise (2 TBSP for 4 servings)**; add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

3.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken; cook until browned and cooked through, 5-6 minutes per side. Turn off heat; transfer to a cutting board. Wipe out pan.

↔ Swap in **steak** for chicken; cook to desired doneness, 3-5 minutes per side.

4.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until al dente, 5-7 minutes. Reserve **½ cup noodle cooking water (1 cup for 4 servings)**, then drain.

5.

While noodles cook, heat a **drizzle of oil** in pan used for chicken over medium-high heat. Add **scallion whites** and **garlic**; cook, stirring, until fragrant, 30 seconds. Add **coleslaw mix** and cook, stirring occasionally, until veggies are just softened, 2-3 minutes more. Turn off heat; stir in **sweet soy glaze**. Taste and season with **salt** if desired.

6.

Add **drained noodles** to pan with **veggies**; toss to combine, adding **splashes of reserved noodle cooking water** as needed until everything is coated in sauce. Thinly slice **chicken** crosswise. Divide **lo mein** between bowls, then top with chicken. Drizzle with **spicy mayo** and garnish with **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
