MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a medium pot, bring **5 cups water (9 cups for 4 servings)** to a simmer. **Wash and dry produce.** Halve, peel, and finely dice **onion**. Peel and finely chop **garlic**. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**).

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer to a plate. Add **onion** to pan used for chicken; season with **salt** and **pepper**. Cook, stirring occasionally and scraping up any browned bits from bottom of pan, until softened, 2–3 minutes. Add **garlic** and **rice**; cook, stirring, until garlic is fragrant and rice is translucent, 1–2 minutes more.

Remove **sausage** from casing if necessary; discard casing. Swap in sausage or **beef** for chicken; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

3.

To pan with **rice mixture**, add **1 cup simmering water** and **stock concentrates**; stir until liquid is mostly absorbed. Repeat with remaining simmering water, adding ½ cup at a time and stirring until liquid is mostly absorbed, until rice is al dente and mixture is creamy, 25–30 minutes. Reduce heat to low. (**Depending on the size of your pan, you may need a little more or a little less water. If you prefer your risotto a little more al dente, cook for less time.**)

4.

Return **chicken** and any **juices from plate** to pan with **rice mixture**. Add **cream sauce base** and **half the Parmesan**; stir to combine. Taste and season with **salt** and **pepper**.

5.

Divide **risotto** between bowls and drizzle with **pesto**. Top with **remaining Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
